

Australian States

The prices quoted are for fine condition keeping in mind that some issues are over 150 years old and printed in the colonies under very primitive conditions. Mint stamps may not have gum if over 100 years old. Used stamps will be postally used unless described as FC (Fiscally Cancelled) in which case they will be cancelled by pen, rubber stamp, embossing or puncturing. High values above £2 have minor faults as they are *seldom* found in fine condition. Imperforate issues will mostly have three margins with no major part of the design cut into. This listing is from *The Australasian Catalogue* by "Seven Seas". We carry a large range of specialized material as per Stanley Gibbons catalogue including proofs, reprints, covers, postal stationery, perfins, postmarks, specimens and more. Write today!
